### Collateral Requirements:

- Language Study:** Global Studies majors are required to complete the equivalent of six semesters of language study in a language taught at Lehigh other than the student's native language. This requirement can be fulfilled using credits from high school AP language tests reported to Lehigh's registrar, from courses taken at Lehigh, from courses taken elsewhere, or some combination of these. It may be fulfilled all in one language (advanced level), or by studying the equivalent of four semesters of one language and an additional two semesters of a second language.
- Study abroad:** 12 credits of study abroad, taken in one semester, or one 6-credit summer session, with approval of adviser, for financial or academic reasons. In all cases, coursework can be substituted, with the guidance of an adviser, if student is financially or academically unable to study abroad.
